

-
- The floor plan illustrates the layout of the second floor, which is primarily designated as "NOT IN SCOPE". Key areas include:
- STAIR 1**: Located near the center-right, featuring "DOWN" and "UP" directions.
 - ELEVATOR LOBBY**: Situated adjacent to Stair 1.
 - MECH** (Mechanical) rooms: Multiple rooms located on the right side of the plan.
 - WORK LOUNGE**: A room located below the main work area.
 - RECEPTION**: A small area at the bottom right.
 - CORRIDOR**: A central horizontal corridor connecting various rooms.
 - ENTRY VESTIBULE**: An entrance area at the bottom right.
 - VR / CONF** (Virtual Reality / Conference) rooms: Several rooms located at the bottom right.
 - WORK CAFE**: A small area near the top left.
 - RAMP**: A ramp leading down from the work lounge area.
 - FUTURE PATIO N.I.C.**: A large outdoor area at the bottom left, noted as "Not In Scope".
- The plan also indicates various safety and utility features, including fire extinguishers (F.E.), air conditioning units (A/C), and other equipment. Matchlines are shown along the top and right edges of the drawing.
